**PRAYING MASS ON LINE:** As we gather at home for our Sunday Mass celebrations online, some suggestions that might help our prayer-time:  
1. Create a sacred space where you will sit to attend Mass e.g. using a crucifix or candle just like you might do if preparing for a house Mass.  
2. Invite family members to name a prayer intention that everyone will pray for during the Mass.  
3. Join in praying the responses, just like you would in church. We are reminded of the words of Jesus - 'Where two or three are gathered in my name, there am I in their midst' - We remember that Jesus Christ is present in our homes as we pray at Mass together.

**TROCAIRE VOUCHERS;** which were purchased in the Parish Office before Christmas raised €1,885, a huge increase from 2019 which raised €770. Many thanks for your generous support.

**COVID-19: Due to the COVID-19, no public Masses will be celebrated until further notice. Let us keep the people of our country in our prayers at this time.**

**Mass will be live-streamed each day:**

**Sunday ..... 10.00am Monday - Saturday 9.30am**

**RADIO KERRY:** Our regular Parish Mass on Sundays at 10am, will be broadcast live for the duration of the current restrictions.

**OPENING OF THE CHURCH:** The Church is open for private prayer in accordance with proper public health guidelines. You are very welcome to our church which will be open each day after Mass until 5pm. (except when funeral Masses will be celebrated).

**CELEBRATION OF FUNERALS:** In their statement, the Munster bishops want to highlight some points that they consider important in relation to public health guidelines in the context of bereavements and funerals. They do so for the benefit of all concerned – mourners, undertakers, neighbours and friends as well as priests and general public. It is vital that we all take every precaution to prevent the further spread of Covid-19.

1. Public health guidelines are clear: attendance at funerals is to be restricted to 10 people. We appreciate there are some who believe that for the sake of accommodating the immediate family, it would be better to allow a higher number than 10 for the funeral Mass in a church. However, this number of 10 is a government restriction for public safety.
2. There should not be any removal to the church on the evening before.
3. People not attending the funeral Mass should avoid congregating immediately outside the church building or around the hearse. We ask people not to approach the bereaved in the church grounds or cemetery to sympathize.
4. There should not be any wakes or large gatherings for prayers in the house of the deceased nor gatherings in cemeteries.
5. Support for the bereaved can be expressed through social media as an alternative to attending the funeral. .... Often it is possible to join the funeral Mass via webcam or Facebook Live. We invite people to remain at home and to pray for the deceased and the bereaved at the time of the funeral Mass. Once again, these are very difficult times and it is vital that we take all precautions to prevent the further spread of Covid-19.
