INTRODUCTION TO THE READINGS THIS WEEKEND

First Reading

Moses shows us that one sign of an authentic prophet is the desire that all people be filled with God's Spirit.

Second Reading

The rich are condemned, not because they have more than they need, but because they have turned a blind eye to those who have less than they need.

Gospel

Like Moses, there is no jealousy partisanship in Jesus: he wants everyone to do God's work; he wants all his disciples to shine with God's light.
