## LADY OF KNOCK

There were people of all ages gathered 'round the gable wall poor and humble men and women, little children that you called.

We are gathered here before you and our hearts are just the same filled with joy at such a vision as we praise your name.

**Refrain** - Golden Rose, Queen of Ireland  
all my cares and troubles cease  
as I kneel with love before you  
Lady of Knock, our Queen of Peace.

Though your message was unspoken  
still the truth in silence lies  
as we gaze upon your vision,  
and the truth I try to find

Here I stand with John the teacher,  
and with Joseph at your side  
and I see the Lamb of God  
on the Altar glorified
